

Equipment List

The items listed here are the resources owned and maintained by the MGH Learning Laboratory for use in simulation-based training sessions. Availability depends on overall scheduling at the Lab, and we will work with you to determine the right choices of equipment for a productive learning experience. We are always pleased to discuss and clarify options for training sessions you are designing, or to explore other equipment needs, in addition to the items listed here.

If you need any additional information or clarification about specific pieces of equipment or wish to discuss your equipment needs with one of the Lab's Simulation Specialists, please contact the Lab at 617-643-8228 or by email at mghsimulation@partners.org.

Full-Body Mannequins:

SimMan 3G (1)

SimMan Essential Mannequin (8)

SimJunior Mannequin (3)

SimBaby Mannequin (2)
