

MOMS DO CARE

at The HOPE Clinic at Massachusetts General Hospital

- Are you pregnant, postpartum and/or parenting a child under 36 months? (The child does not need to be in your custody.)
- Age 18 or older?
- Have you used heroin or any prescription opioids without a prescription, been on medication for an opioid use disorder, or have a history of an opioid overdose?
- Would you like assistance with: medication for opioid use, substance use treatment, recovery supports, and other healthcare services?
- Are you wondering where to turn for help?

**If you answered YES to these questions,
you may be able to enroll.**

For information call (617) 724-4643 and ask to speak to the Project Manager

THE MOMS DO CARE PROGRAM IS FUNDED BY A GRANT FROM THE SUBSTANCE ABUSE AND MENTAL HEALTH SERVICES ADMINISTRATION TO THE MASSACHUSETTS DEPARTMENT OF PUBLIC HEALTH, BUREAU OF SUBSTANCE ADDICTION SERVICES.
